Results in FY19 and comparisons with FY18 reflect the adoption of new accounting standards for revenues, pension costs and taxes. Accenture discloses information about its business dimensions and components of “the New” to provide additional insights into the company’s business. Revenues for business dimensions and “the New” are approximate, require judgment to allocate revenues for arrangements with multiple offerings and may be modified to reflect periodic changes to the definitions of the business dimensions and “the New.” For full financial data, non-GAAP financial disclosure and cautionary language regarding forward-looking statements, please refer to Accenture’s fiscal year 2019 fourth quarter news release issued on September 26, 2019, which accompanies this presentation and is available at investor.accenture.com.
